

## COVID-19 UPDATE:

As of **May 19, 2020** we are happy to re-open our doors to all our patients!

*Your health and safety is our number one priority. In order to keep our patients and team safe, we are committed to meeting and exceeding all guidelines from Public Health and the BC College of Optometrists.*

### **We have taken the following precautions in our clinic:**

- Screening all staff and patients for COVID-19 risks
- Requiring all staff and patients to wear masks
- Ensuring good hand hygiene for all staff and patients through hand washing and/or hand sanitizer located throughout the office
- Installation of plexiglass protective barriers
- Deep cleaning and disinfecting of all equipment, surfaces, and eyewear between each patient
- Spacing appointments and limiting the number of patients in the clinic to maintain social distancing

*Our goal is to give our patients the same quality care and attention in a safe and enjoyable environment. We look forward to seeing you soon!*
